After putting device to out of battery they pair, but can't communicate between each other. I have also to reconnect between them after recharging their battery in their phones. How to disable this? The same problem with Nexus 4 and S3. In the AOSP devices behave the same way. But in the stock Samsung and Google devices this problem does not exist. A: I've found that this problem was solved by updating the firmware of my phone to the newest (1.6.0.5) Kristen Stewart Reveals She's Never Read Books About Boys and Sex Kristen Stewart has been busy with her acting career and recently announced that she will be taking part in the Sin City sequel for Netflix. During an interview with Entertainment Weekly, Kristen opened up about having studied the opposite sex in school. As soon as she mentioned the interview, she burst out laughing and when asked about reading books about boys, she responded: "I can't say I read a lot. Actually, I don't read a lot at all, but I used to. I like reading in general but I don't read many books about boys." The actress was then asked about her other hobbies and she replied that she has a small dog called Tilly and plays the guitar. Tilly is the same dog that Stewart adopted after the death of her beloved French Bulldog, Rocket, when she was just 12 years old. The actress was then asked about being part of Harry Potter and Twilight and she replied: "Harry Potter's a phase and Twilight definitely. I think you can only do so much research at
